DEDICATION

We, the Senior Class of Gridley Community High School, wish to dedicate this fifth issue of the "Pylon" to Coach Towler and the tournament squad who displayed so many qualities of sportsmanship and through their untiring efforts became the County Champions.

We students give you a cheer boys for we are very proud of you.

FOREWARD

The Class of 1944 presents this volume of the Pylon. May it bring you pleasure and may it, in the years to come, help you recall the happy days you spent in Gridley Community High School.

MISS KUERTH TO VISIT NEW ROAD COMMISSION- HOMER TOWN ER ELECTED

Miss Kuertth, that teller of horrible tales is visiting her home town of Gridley this week.

Miss Kuertth, who stars on the "Hair Fainting Tales Hour" sponsored by Pickel Grasshoppers Co., is home to attend a banquet given in honor of her brother, Junior Kuertth, who is to leave next week for training for the Olympian Games. He is one of the high hurdlers for the United States. The team is making a tour of the United States this year and so he has to report early.

ACCEPT OUR APPEALS PLEASE

Due to circumstances beyond our control, there will be no Sports Novelties section in this issue. The author of this section, Ramona Oliver, was injured two days ago. While she was out at the spring baseball training camp, gathering information for her column, a stray baseball conked her on the head and she was rendered unconscious. She is reported improving, but has not recovered enough to write her daily items.

The votes have all been counted and we are happy to announce that that position goes to the ambitious Kenneth Roth. He is a graduate of Gridley Community High School and has been farming in this locality for a number of years.

Good Luck to you, Mr. Roth. We hope you have a successful term.

INTELLIGENT MORONS

Henry Stortz has established a new kind of school. Upon careful study he has come to the conclusion that intelligent morons can be taught. He received his degree from the Imbecilic University and so has had an ideal place to study the situation.

If any of the morons overtax and break down, Miss Joan Steward R.N., Mr. Stortz's fiancée, will be there to take care of them.

ARE YOU READY TO DIE?

If so please consult

PROF. ZEHR DISCOVERS NEW WORM

The Igglesteinn Academy announced today the discovery of a new worm. The discovery was made by Prof. Donald (Tapeworm) Zehr after an intensive search. This new worm has journeyed through the earth from United States to China. The Prof. is now learning the worm language so he can tell everyone about the new worm's travels.

DON GRAMM TO FIGHT PETE FOR HEAVYWEIGHT CROWN

Kenneth Gramm, manager and brother of Don Gramm, released tonight the intention of Don Gramm to fight "Bull Dog Bozo" the current heavyweight title holder.

Don defeated "Bull Frog," the "Croak" last week in a tenth round knockout and previous to this he won his battle from "Little Liver Lout" by a R.C. in the fourth round. Feeling that he has enough confidence to fight Bozo, his manager, (Kenneth Gramm) has consented to let them have a match.

Mr. and Mrs. L. I. Shinnough, sons and daughter are visiting the Satterfields in Swampland County.

HEROINE OF FLOODS VISITS FARM

Bernice Stalter, the heroine of the floods in Miss. is here visiting a former school chum, Miss Eigsti, on her turkey farm.

Bernice distinguished herself this spring by rescuing 10 children who had been put adrift in a leaky mudboat. She risked her life to bring them back to safety and has been highly praised by her superiors for the amazing act.

She has a vacation for two weeks and is spending them with Miss Eigsti. Miss Eigsti is to be married next week and so Bernice will be there to attend the wedding.

FIBBER MCGEE FINALLY MEETS MYRT

Fibber slipped a nickel in a slot to call a friend and imagine his surprise to hear "Yeah this is me" in answer to his query "That you Myrt?"

Myrtle Dodson was on the switchboard and so answered his question without stopping here for 40 minutes rest between trains. She is going to appear on his program in the near future and represent the "Myrt" that belongs there.

GEORGE ANNE BRUSH WINNER OF HAIR STYLE CONTEST

The "Navy Davy" Hair Dresser Co. released the names of the winners of the "Contest to Find the Swirliest Hair Do of America". We are proud to announce that Mrs. Porter Brush won first prize.

AT LAST

Wes Foor, that hunk of masculine modesty, has finally, after five years, consented to have a woman actor in a movie picture with him. The new picture will be entitled "Finally-He-Did-It."

Miss Eileen Yergler stopped here for 40 minutes rest between trains.

She is going on a special assignment to be the cover girl of the LOS ANGELES GAZETTE.

MISS SCHLIPF MADE HEAD SECRETARY AT GALLAGHER'S

Ruth Anne Schliff was made the head Secretary at Gallagher's recently. As soon as she graduated from high school she entered Gallagher. She graduated at the prescribed time but the people there liked her so well that they retained her. Now we have been informed that she has worked so diligently that Gallagher's have asked her to stay on as the Head Secretary.

MEMBER OF CLASS OF '44 TO GO TO SOUTH POLE TO FARM.

At a party given at her home Wednesday Mrs. Don Gilmore (nee Alyce Weiss) announce the intention of her husband and herself to go to the South pole and farm. She said that they would leave in two months.

Don't forget next week! We start a new serial by Madelyn Andrews.

SENIOR CLASS HISTORY

1940-41

In September, 1940, thirty-five little green sprouts were seen peeping out from behind doors and around strange halls as they beheld for the first time the wonders of a strange and ludicrous world. Some sprouts were a little stronger than others, but as a whole they all needed cultivation to strengthen their minds as well as their bodies. Our ~~gardener~~ was Mr. McKey and later Mr. Loy. We elected four of our larger sprouts as our source of maintenance during the year, namely, Henry Stortz, Kenny Roth, Ramona Oliver, and Junior Yuerth. Soon some of the little sprouts decided to reveal their amazing poise and self will as they gracefully swayed and nodded to the bystanders as they shot around the track and showed their ability in other athletics. We had a lot of fun, but also some frightening moments when the day came that we were to be initiated into the new world for good. But with the bad, there is good, and that evening we had a swell time at a party given in our honor by the buds.

1941-42

In September, 1941, after a years cultivation and a summers growth, we found we had grown into little buds. There were thirty-three of us left, two of our buds (Clara Ball and Helen Woosley) having been transplanted to other gardens. But alas, we also obtained a different variety

when Geraldine Burroughs of Chenoa took her stand here among us. During this year, we again exchanged gardeners, Mr. Satterfield for Mr. Loy. Our source of maintenance this year was Ramona Oliver, Alyce Rose Weiss, Kenny Roth and Farnice Stalter. We again received two different species, namely Trilla Northcutt and David Benedict. During the course of ^{the} year, two weeds were pulled out, Delmar Yordy and Jerry Slagell. We entertained the freshmen sprouts at a sprout-out party at Lark Bloomington which we all enjoyed very much.

1942-43

Kenny Roth, Marilyn Andrews, Ramona Oliver, and Eileen Yordy were chosen as our source of maintenance for this season and we had a lot of exciting times as we were now in full bloom and had to be careful that we weren't plucked off by too much activity. This year the gardeners were necessary, Mr. Hill and Miss Barnes, instead of Miss Harden, because we needed quite a bit of attention and careful cultivating. There were also a few weeds ~~to~~^{to} pull out, namely, Lyle Irwin, Jack Eshington, David Ben Mot, and Eileen Zimmerman. Wesley Poor, Kenny Roth, and Junior Kuertl were much admired by flower growers for their strong athletic stems and leaves. In the same way Eileen Yordy, Alyce Rose Weiss, and Ramona Oliver, were admired for their active ability and beauty, as they tried to implant into each one the garden spirit. A flowery banquet was given by the flowers for the seeds, who were seen to go out into the world and

take care of themselves.

1943-44

At last we have dropped our petals and have turned to seeds. We feel we aren't looked at much anymore since we have dried up, but people will soon want us for our usefulness, instead of our beauty. This year we have as our gardeners Mr. O'Hay and Mr. Townner, and as our source of maintenance, Wesley Boor, Myrtle Olson and Ruth Ann Schlipf respectively. One new seed, Helva Muller, was with us for a while, but was soon taken out of our midst again. Marilyn Bristow, after enduring the hardships of four years growth with us, also left an empty place in our cultivated spot. When our name cards and commencement invitations came we were all a little glad and all a little sad over the thought of parting with our much cherished bits of nature. We staged a very good play "The Red Patters", under the direction of Miss Garrity. It was thought wise to give us a little better preparation before we were scattered all over the world on our own and so baccalaureate services were given in our honor. And then the big night when there was a strong wind, and, with the presentation of a diploma, we, as seeds, were blown from our happy gardens into a world as yet unknown to us.

JUNIOR CLASS HISTORY

1941-42

Thirty birds of various species arrived to spend the next four years at the aviary of G. C. H. S. in Sept. 1941. We were greeted by our keeper Hattin. Our flock was led by Kaufman, Hoobler, Cornwell, and Gerig. The older birds held a party for us at the conservatory at Lake Bloomington. We returned the party later on, by giving another at the Gym. To show off our pretty feathers, we gave a style show as our part in the all school party. Blackbird G. Murray left our flock to return to his nest. Goose Northcutt migrated South to a warmer climate. Blue bird Cleary flew in to join our flock.

1942-43

We returned from our nests the next year. ~~Red thrushes~~ Imthurn, Fleek, and Hoobler had not returned with us. Thrush Hoobler flew in on a wing and a prayer ~~two weeks later~~. We added one new bird to our flock, Blue Jay McCullough. During the middle of this season a farewell party was held (with the help of the older birds) for Crow Phister who migrated West. We gained the reputation of being very socially minded, because of our monthly parties. This year our class was led by Kaufman, C. Klopfenstein, McCullough and Gerig. Our Keeper Satterfield watched over us.

1943-44

We were met this year from over summer migration by keepers Garrity and Hayes and led by Gerig, Hoobler, C. Klopfenstein and Whisman. We had great plans for ways to earn money for our annual festivities. The only birds not taking part in these plans were Bluebirds Cleary, H. Miller, Gardner, ~~and R. Miller~~ who were not able to make the return journey. Our dramatic ability was brought to light by the success of the Jr. Play "Health, Wealth, and Romance" with the help of the Mocking Birds Gerig, Hoobler, Klopfenstein, Fenton, McCullough, Cornwell, Ellenberger, Kaufman, Whisman, Rich, Hoobler, Schlupf, Director-Keeper Garrity, Asst.-- C. Klopfenstein. Our flock was banded with gold rings with "3" on the crest for our Aviary.

To cheer our athletics to victories, Scarlet Tanager, Slagel was chosen as cheerleader for the coming year. We won a demerit contest and were honored with a party for our good behavior.

The annual bird seed banquet was held at the Rogers Hotel in Bloomington. Our theme was dreams, carrying out the class colors of the older birds, blue and white. Our flock also decorated the stage with flowers for graduation exercises.

Our class colors are Orchid and Green. Our motto is "Impossible is UnAmerican". Our flower was changed this year from Iris to Sweetpea.

1944-45

We hope all the birds in our flock will weather the storms and be able to make the return flight back next fall.

HEALTH, WEALTH AND ROMANCE

On Wednesday, November 17, the Junior Class, under the direction of Miss Garrity, presented the three-act farce, "Health, Wealth and Romance".

The cast was as follows:

"Terror" (Terror)---Owner of the House of Health---Ty Kaufman
"Whinnie" (Whinnie)---Who knows the answer---Kenneth Gerig
"Victor" (Victor)---Who wants the answer---Victor Rich
"His Girl" (His Girl)---Her name is...
"An innocent" (An innocent)---Ralph...
"His valet" (His valet)---Larry...
"A health-conscious spinster" (A health-conscious spinster)---Jane...
"Their voice" (Their voice)---Po...
"Maid" (Maid)---Maid...
"Minifred" (Minifred)---Minifred...
"Katie's Sister" (Katie's Sister)---Joanna...
"Hotel errand-boy" (Hotel errand-boy)---Bud...
"Maid of all work" (Maid of all work)---Jean...
"Business Manager" (Business Manager)---Charlotte...
"Prompter" (Prompter)---Charlotte...

To the House of Health, owned by the exercise-loving "Terror", comes the exercise-loathing "Whinnie", not to enjoy the calisthenics and carrots regime of "Terror" but to hide. For "Whinnie" has the secret answer to the \$10,000 contest sponsored by his employer, the sales manager of Walsy-Walsy Potato Chip Company, and as "Whinnie" says, "What wouldn't some people do for \$10,000?"

To the same place comes Charlie, whom "Whinnie" recognizes as an old college friend. With him is his valet, Sylvester, upon which timid and bewildered individual, the Van

Loom sisters, mistaking him for a noted dietitian and experimenter with their beloved spinach and celery juice diet, lavish their attentions. To avoid his imminent discovery by crooks seeking his secret, "Whinnie", at Charlie's suggestion and with the aid of a blond wig and a "gay nineties" costume, very ably disguises himself as Lucretia Klondike the wealthy widow of an Alaskan gold miner.

In the meantime Madge, "Whinnie's" fiancée, and Beth, a friend of Charlie's, arrive at the hotel. In order to pacify Madge, who is enraged because of his failure to meet her at the inn, "Whinnie" is forced to make some very quick changes of character, which intrigue that ever-suspicious amateur "detective", Frackles, who is kept in tow by Wilma. To further "Whinnie's" troubles, "Terror" and Sylvester, attracted by the widow's purported millions, ardently pursue "her". The Gangsters after the secret arrive in the persons of the Slangy and scrappy "Slappy" and Rose. But in a whirlwind finish all ends well, for "Whinnie" in character of Lucretia knocks out "Slappy" in the act of stealing the VanLoon jewels, the contest ends, and "Whinnie" is able to resume his own character and romance with Madge.

To all the members of the cast should go credit for carrying out their parts capably and presenting a very enjoyable play; to Miss Gerrity should go credit for an excellent job of play direction.

SOPHOMORE HISTORY

Freshman Year

In September 1942, thirty-three green little seeds were planted at Gridley High, but they had great hopes of things to accomplish. When the seeds began to sprout they were initiated by the Sophomores at the lake.

The front row of plants to lead the growth were for half the year Bob McCain, Erlene Gerig, and Roberta Kuerth. The last half of the year Joe Ellenberger, Paul Reeves, and Joan Kuerth took over. The gardener was Miss Obraskja.

Bob McCain, Kenny Stahley, and Alvin Rediger, and Erlene Gerig were transplanted and Lois Eristow and Virginia King were planted in their places.

Sophomore Year

In September 1943, thirty-two stems came out of the ground again only this time they blossomed.

In front row this year were Joe Ellenberger, Roberta Kuerth and Bill Hayes. The gardener being Miss Hepperly.

Kenny Stahley, and Lois Eristow returned to the plot during the year, and Alice Mae Peffinger, and Marie Breeze left it.

The plants were quite active; they brought in over a hundred pounds of fat for the drive and gave the Freshmen a hard battle in the egg drive. The class also put on two one act plays for a P.T.A. benefit. In addition they had lots of fun at their parties. They plan on being together to grow through two more glorious years.

FRESHMAN CLASS HISTORY

On September 3, 1943, thirty-three bewildered freshman were enrolled as full-fledged members of the Gridley Community High School. It didn't take us long, however, to become accustomed to high school routine.

During the course of the year we had the sad misfortune of losing our classmate and secretary-treasurer, Shirley Funk, through death. She suffered an attack of appendicitis which was followed by complications. Our class underwent a severe loss when she passed away.

Initiation day was held on September 10, 1943 on which all freshmen had to dress as the sophomores told us. Among the most striking costumes were a negro with tattered clothing and a boy dressed as a girl with curls in his hair. Despite the fact we were quite self-conscious, I believe we had as much fun as the rest of the students did watching us. That night the Freshman-Sophomore party took place at Lake Bloomington. We arrived packing in our boots, but our fears were appeased when we discovered the sophomores had planned an entertaining evening for us. Now that we have an idea of what "hazing" is we intend to avenge ourselves on next year's class.

Several weeks later the Freshmen gave a return party for the Sophomores. It was a Halloween motif and everyone came in masquerade costume. Later costumes were doffed and games were played followed by refreshments.

After several weeks had passed the Freshmen had a volleyball party and were permitted to invite one guest. The evening ended with refreshments.

The freshman class was well represented on the different athletic teams. Several of our boys appear to be up and coming track stars and also make a good showing on the basketball floor. The freshman girls aren't to be forgotten either. They placed third over the sophomore girls in the B. A. A. basketball tournament.

In addition our class made a creditable showing in the egg drive, in the fat drive, in the magazine campaign, and in the demerit race sponsored by the Student Council.

After all is said and done, this has been an enjoyable year for the freshman. We only hope that as sophomores we will have as profitable a year as we did this year.

THE GRIDLITE

The Gridlite season of 1943-44 proved to be a variety of mood and colors. There were a variety of patterns used. Orchids go to the little lady with the magic powers, our artist, Miss Dodson. The school paper staff harmonized together very well and under the guidance of the Editor the finished product was as a rule "tops". Gardenias to Mr. I. C.U., who made himself a favorite among the student body. It was Miss Oliver and her two reliable stooges, Bud and Mae who relayed the interesting news on to Mr. I.C.U.

The editorial page shone through rain and snow and Miss Cornwell, as you probably agree, had a variety of interesting ideas. Business managers, Georgianna ^{Brush} and Evan Bertsche displayed their ability at managing and the financial status of the company was "all-high".

Ty Kaufman, Joan Steward, Helen Finkenberger and Poke Kaufman were the class reporters, who initiated new ideas with the amazing speed of the West wind.

Joan Kuerth and Georgiana Brush shared honors as roving reporters and it is always interesting to see the students reaction to questions. Don't you agree?

Dandelions to the staff for their prosperous year and best wishes to next-years staff.

As a result of the existing wartimes condition and shortage of material, the Pylon Staff was confronted with many obstacles. The fifth issue was mimeographed as was the preceding one and it also became necessary to sell more books than was originally planned.

The Staff wishes to thank the students, subscribers, and faculty--especially Mr. Towner for his untiring and excellent supervising of the mimeographing, and Mr. O'May for his efforts toward making the annual what it is. We also thank the Typing II class for their assistance in putting out the annual.

We sincerely hope that you will find recorded within these pages the memories of joyful moments experienced at Gridley Community High School.

HISTORY OF HOME EC. CLUB

It's not "Little man you've had a busy day", but it's "Little Club you've had a busy year!"

With a strong membership the year was begun with a weiner roast to acquaint the freshmen with the purposes of the club.

At the October meeting the officers were formally installed and the new members initiated in a candlelight service.

Another interesting evening was spent making "junk jewelry" out of combs, ice-cream cones, candle wax and etc.

One of the highlights was to have been a Christmas Party for the children of the Salt Creek Indians. At that time the flu was making its rounds and at the last week we received a letter from the children saying they could not come. However they still received their presents and there must have been some homecoming on Christmas morning.

Mr. Hill talked at another meeting on his way of working. His lecture on the club was a real treat to the Club members also to the other students.

Following the homecoming, a letter was sent to the Mother-Daughter party, and a D.D.A. party was held which was enjoyed.

A summary of the Future Homemakers Association activities would not be complete without mentioning the Fat Salvage drive. The Sophomores won the prize. We collected 412 lbs. of scrap. With the help of the Junior and Senior classes we made for our new effort, "A new field trip" to Elmhurst.

HOME EC. PARTIES

The first home party was held in Hillier's East room. A weiner roast, salad, and a delicious dessert were enjoyed by all.

Next, a meeting of 1943, gave a very interesting talk on her visit to summer camp.

On November 4, the 3rd of the Home Ec. Party was held in the Lab. The girls of the club and the members of the Conference at Elmhurst took part in the party. They took in. Alice and the Club's social for the remainder of the year.

The evening was spent in making necklaces, bracelets, and pins, after which there was a serving of popcorn balls and punch were served.

The new members of the Home Ec. Club were initiated during the party held October 14, 1943 in the Home Ec. Lab.

Patty Shanbrook was chairman of the game committee. We divided into groups of five, headed by Georgiana Brush, Jeanne McCollough, Anna Lou Kuerth, Talia Hibbs, and Charlotte Model, and each group selected four songs which they acted out. Georgiana Brush's group won. Several games of Bingo were then played with Roberta Kuerth winning the first prize and Catherine Slatall winning the booty prize.

The refreshment committee served us Orange Sherbert and butter cookies.

The fourth Home Ec. Party was held January 6. Everyone gathered around to hear about Mr. Hill's Hobby, which is woodcarving.

Others hobbies were displayed on tables for the members to see. These hobbies consisted of several stamp collections, a pencil collection and some interesting scrap books.

Refreshments of cocoa and doughnuts were served the latter part of the evening.

HOME ECONOMICS FRESHMAN PARTY

Back to their baby days went the freshmen on February 23, 1944, when they entertained the first graders with a party. Who was more excited, was hard to discover. The first graders, with their scrubbed faces and party outfits, were enthusiastically greeted by the girls, who were awaiting them in the Home Ec. room.

This was a party planned as part of a child care unit. Each girl was responsible for an child and played with them in the games. The group was then seated at the tables for refreshments and the enjoyment of clever "bunny" favors made of marshmallows.

On the night of March 2, 1944 the Home Economics Club girls had a pot-luck supper at 7:30 in the Home Ec. room. After the supper the girls who didn't go to the Regional Basketball game in Chenoa, stayed and played different games.

On the last of April 4, 1944, the Home Ec. Club took a field trip to Bloomington. The girls left on the bus at 1 o'clock. After arriving they toured the Mennonite Hospital. They divided into groups and each group had a special guide. Next, they went to a style show at Poland's store of fashion. After it was over, they visited the Baby Fold at Normal. From there they went back to Bloomington and bought a mirror at Ems Aberrators with the money received from the fat drive. Then they came to Griley on the bus. They all had an enjoyable time.

F.F.A.

The Future Farmers of America is a nationwide organization of boys who are taking vocational agriculture and carrying full time livestock or ag projects as a part of their agricultural study.

We have twenty-nine boys in the FFA this year, carrying the same number of projects. Record books closed Jan. 1, on last years' projects showed a total income (for twenty-one projects), of \$6,650.70, at a feed and labor cost of \$4,777.14. Total labor and management / earnings were \$2,778.52, an average of \$132.21 per project. The ten swine projects alone netted, for labor and management \$1842.38.

The FFA holds meetings once each month for business and recreation. The highlight of this years recreational project was the FFA-Horse & club theatre party at the Chanoa Theatre. "Look Who's Laughing" with Fitcher McGee & Molly was the feature.

The State FFA conference at Champaign was attended in June, 1943, by the elected delegates, Edward Gramm, Keith Roth, Evelyn Frey (alternate) and Mr. Satterfield, Advisor. The 1944 conference of FFA was attended by delegates Robert Kearney and Kenneth Gerig, alternate Dean Holligan, and the advisor Mr. Satterfield. Two nights were spent in the Inman Hotel this year, which was something of a novelty for the delegates.

The FFA undertook the selling of one hundred fifty dollars worth of seeds to raise treasury funds this year and were successful in the effort.

The officers for this year are: Henry Stortz, Pres.; Bob Kearney, Vice Pres.; Ken Gerig, Secretary; Floyd Meiss, Treasurer; William Hayes, Reporter; Mr. Harold Satterfield, Advisor.

STUDENT COUNCIL

Under the Constitution set up a year ago this spring, the new Student Council of S.C.H.S. got under way early in the fall. As our advisor we elected Mr. O'May and began activities immediately. The first of these was supervision of cheerleader election for the coming year. This was carried out by secret ballot through all the home rooms.

An entire meeting was devoted to suggestive ideas on improving our school. When, therefore, the noon hour was the first successful step in this direction. By a majority of votes, an hour was allotted with the last period of the day running until 4:20.

The outstanding accomplishment of our Student Council for the year was a campaign to raise money. By selling Curtis Publication and other popular magazines the school sold a total of over \$400 with a net profit to the Student Council of \$174. Numerous prizes were awarded to various students in accordance with the number of subscriptions turned in.

A two weeks' citizenship campaign came next on the list of activities of this organization. Students were nominated of different miscellaneous clubs on the school premises. This contest resulted with the Junior Class as winners, their class having the fewest demerits to their credit. A party in their honor was held towards the end of the year.

A decision was reached on how to spend at least a portion of the profits from magazine sales. The council already has part of the equipment necessary for a public address system and the Student Council is planning to purchase the remainder of the material to complete this system.

Officers who served during the year were as follows:

President--Ramona Oliver
Vice Pres--Ty Kaufman
Secretary--Roberta Kuerth
Treasurer--Evan Bertsche

LIBRARIANS.

To furnish information and to provide enjoyable reading for all the students have been the purposes of the school library. In accomplishing these purposes the library for a number of years has built up a good stock of reference material and of interesting fiction and non-fiction. This list has been increased this year, and considerable work done on library records. To the student librarians, who generously gave of their study time to help in changing out books, we owe our appreciation. The following served this year: Ruth Ann Schliif, Jane Cornwell, Clara Andrews, Ellen Yerling and Bernice Stalter.

1931 SPEECH CLASS

There was no regular speech class this year, but some of the students, because they were interested in this work, asked for special help and with the coaching of Miss. Cararity, prepared for the sectional and county literary contests outside of school.

Three of the girls attended the Sectional Contest held at Gilman on March 25. Ramona Oliver won first in verse reading in the F Group, Madelyn Andrews placed second in serious reading also in Group F, and Jane Cornwell represented G. C. H. S. in humorous reading.

Seven people plan to attend the County Festival on April 26. They are Jane Cornwell in girls humorous, Madelyn Andrews in serious, Ramona Oliver in essay, Tyrus Kaufman in oration, Bud Hoebler in boys humorous, Carlton Klopfenstein in extemporaneous, and Kenneth Roth in spelling.

MUSIC

The music program of the Gridley Community High School was divided between a mixed chorus, boy's chorus, girl's chorus and the band. The first three groups met during the last period of the day as a unit on Monday's and Tuesday's, while the band held its rehearsal during the last period on Wednesday and Thursday. During the second semester, the band held extra rehearsals at eight fifteen in the morning on Monday, Tuesday and Wednesday, because it seemed advisable to secure additional time for this organization.

Seventy students enrolled for vocal music at the beginning of the year and this number was divided into two groups for convenience of handling. In each of these groups, both girls' and boys' chorus was emphasized along with the mixed group.

Eight senior girls were chosen to sing for the Junior play as incidental music for that production. A mixed group selected from the entire chorus, was chosen to perform for, the Woman's club. On March 20 a selected mixed chorus of some forty members performed for the P. T. A. meeting and gave a grand performance. The boys of this group sang two numbers alone, the girls sang two separate numbers, and the mixed chorus sang five or six numbers. The band also gave a short program during this presentation, which was well received. The music department also furnished incidental music for the senior play and sent a group of instrumentalists as

well as vocalists to the county festival that was held at Normal on April 26. During the basketball season, the band performed for several of the home games and added a lot to the enthusiasm of the game.

There were twenty-three members in the band this year, all of whom were players with some experience. The instrumentation consisted of trombones, cornets, clarinets, saxophone, baritone, bass, and drums. Such members as "S.I.B.A.", "Connecticut", "First Part", "Evening Shadows", "Serenade", "Pacific Moor" and "Crusaders", Quartets, were examples of their work.

The chorus used such material as "Chorus", "Nocturne", "Rain and the River", "Within 3 m", and "The Land". The boys' chorus used such numbers as "Yacht for the Rolling Sea" and "To Town Boys". The girls' chorus had such numbers as "First Time Love", "Rain and the River".

Although this book will go to the press before the final events of the year, the music department expects to be well represented at the final assembly of the senior class at the close of the school year.

PRAIRIE CONFERENCE

The most interesting events of the season, outside of tournament play, took place in the Prairie Conference.

Being a newcomer in the conference, Gridley knew very little about the strength of any of the other six members.

Their first game was played at Roanoke, on the small Roanoke floor. Gridley won the contest in the last few seconds on the push-in shot by Ty Kaufman. The final score read Gridley 34 - Roanoke 32. Later in the season, on Gridley's court, Roanoke fell before the Redskins by a 30 to 30 score.

Our next foe was a powerful Burka team. Gridley managed to pull through in an overtime to win the game by two points. Burka's over score in the overtime by Ralph Klopfenstein and Ty Kaufman, to win the game by a 32 - 30 score.

The return contest at Gridley, the last contest before the District meet, was one of the best games of the season. The lead changed hands many times during the game. The game was tied with ten seconds remaining when Ralph Klopfenstein stole the ball and went in to score the basket which won the game by two points. This win gave Gridley a perfect conference record of eight wins and no losses.

The contests with Minonk were among the best of the season. The first game was played at Gridley. Although the game was close throughout, Gridley held a nine point lead with three minutes to play. Minonk cut this lead to two points and only in the final seconds did Gridley pull through with a four point win, 43 to 39.

The return game at Minonk was a thriller. With four minutes to go in the final quarter the Redskins were trailing by thirteen points. By putting on a whirlwind finish, led by Ralph Klopfenstein, this lead diminished to one point with five seconds remaining to play. Here again Ralph Klopfenstein snatched the ball away from an opponent and the resulting basket won the game for Gridley, 43-42.

The remaining two contests were played against an El Paso team that had been weakened by sickness.

All of the teams were well coached and played "top notch" ball in each conference contest. Gridley did not meet Washington or Metamora because of schedule difficulties.

MCLEAN COUNTY TROPHY

The McLean County trophy is the emblem which the school now has in its possession as a result of its basket ball squad which showed its superiority over the rest of the county teams as it came out on top after having played courageously, and determingly. This being the first time that Gridley has placed first in the county tournament since 1927, I think everybody in Gridley views and will still view in the years to come this trophy with a great deal of pride and joy. Our hope is that in the future Gridley may gain many more county championships and have many more trophies to place beside this one.

PRAIRIE CONFERENCE TRAVELING TROPHY

The Prairie Conference Traveling Trophy was donated to the Prairie conference by the Washburn Leader in 1938. In 1938-39 Roanoke was its first proud receiver. In 1939--40 El Paso held it in their possession. In 1940-41-42-43 Eureka took over until Gridley was accepted in 1943-44 as a member school of the conference and now displays it with its other 43-44 emblems of victory.

PRAIRIE CONFERENCE CHAMPIONSHIP TROPHY

The Prairie Conference Championship trophy has not been bought as yet. We have received the money, but are waiting until after the war to buy a suitable trophy.

PANTAGRAPH TRAVELING TROPHY

The Pantagraph traveling trophy was donated to the McLean County Schools in 1934, by the Bloomington Daily Pantagraph. Each time the trophy is in another school's possession, they put a ribbon with the date and the name of their school on it. This is the first time Gridley has ever had it. Possession of the trophy is obtained by defeating the school having the trophy.

The Colfax District Trophy was won at Colfax. By winning this tournament we were able to go to the Regional Tournament, the second step toward the State.

GRIDLEY CHRISTMAS TROPHY

The Gridley Christmas Tournament first place trophy was kept at home on its first year of being presented. We hope to do as well in the years to come.

FRESHMAN-SOPHOMORE TROPHY

The Freshman-Sophomore trophy was obtained in a tournament held at Lexington. It gives us all a secure feeling to possess this trophy, for it proves that we still have good basketball material left, and can have high hopes for the future basketball teams.

BASKETBALL

Probably the best team in the history of the school represented Gridley in the basketball wars this year.

Under the leadership of Coach Towner the team added seven trophies to Gridley's trophy cases. They were Champions of McLean County, of the Gridley Christmas Tournament, the Prairie Conference and District Tournament.

Their season's record showed 21 wins against 3 losses. They were winners of ~~all but one~~ tournament game.

The total achievements of this team can well be attributed to their cooperation, teamwork, aggressiveness, and never-quit qualities displayed throughout the entire season.

Not to be outdone too far by the first team the Gridley seconds won 12 contests, while losing only 4.

The basketball season ended with the Freshman-Sophomores winning the Fresh.-Sopn. Tournament at Lexington.

Three of the first ten will be lost to the team by graduation. They are Wesley Foor, Henry Kuert, Jr., and Kenneth Roth.

Foor, a regular from last season, sparked the team with his continual hard driving, and aggressive tactics. While not much of a talker his actions on the court spoke for him. He was an excellent defensive man, and one of the best forwards in the County.

Junior Kuert played most of the season at center. His outstanding was his shooting ability. Although this was his first season on the first five he played like a veteran.

Kenneth Roth, who stood on the ball diamond and in track was the other senior on the first team. Although he did not get into many games he played a great part in the development of the team.

Ralph Klepfenstein, our high scoring forward, proved that he was the best in the district, by taking advantage of every break of the game to score points for Gridley. His teamwork was outstanding throughout the season.

Victor Rich, the smallest of the first five developed into an excellent guard. His speed and fight played a big part in our victories.

Ty Kaufman ranked at the top for his guarding ability. His smoothness of motion, speed and good judgment were ever apparent throughout the season.

Flayd is another player about half of each game. He has an excellent start but missed several games because of sickness.

Larry All is a six foot junior should develop into a regular next season. He has a very good pivot shot.

Joe All is a very good guard. He is very aggressive and is an excellent ball handler.

Reynolds Knapp looked the experienced of some of the other players but he was not built for the r-the-basket play and good ball handling.

Walter Martin is a regular on the second team and is an excellent shot. He should be seen in the next few years as a regular.

John Dingle is a very good shooter and an excellent ball handler played on the second team.

Donald Gramm is a very aggressive player and saw service on the second team in his Senior year.

Kenneth Stanley is an excellent shot but his lack of experience hindered his aggressiveness. He missed several games on account of Scarlet Fever.

Wilbur Halsey is a very good shooter at the Freshman-Sophomore Tournament. He looks like he may develop into a good player.

Bill Halblin has promise of being a good guard. He saw some service on the second team.

1944 TRACK AND FIELD

Prospects for the 1944 track season are considered good. With the large squad of boys practicing almost daily it appears that Gridley should have again another well balanced team exhibiting both power and depth.

The varsity half mile relay team will be chosen from co-captains Ken Roth and Junior Kuerth, Ty Kaufman, Ralph Klopfenstein, Ken Gerig, Billy Melting and Duane Shrock and Victor Rich.

The varsity hurdle teams will be chosen from Junior Kuerth, Ralph Klopfenstein, Floyd Weiss, Duane Shrock and Vic Rich.

The probable events that will be entered in the county meet by squad members are:

Junior Kuerth: all hurdle races, discus throw, 440 yd. dash and all varsity relays.

Ken Roth: Both dashes, shot put, discus throw, broad jump.

Don Gramm: 880 yd. run, 1 mile run.

Ralph Klopfenstein: 440, 880, 1 mile, all varsity relays.

Ty Kaufman: Both dashes, 440, all varsity relays.

Vic Rich: Pole vault, 880, mile.

Duane Shrock: High Jump, broad jump, hurdles, varsity relays.

Floyd Weiss: Pole vault, shot put, discus throw, hurdles.

Joe Ellenberger: Both dashes.

John Kahle: Mile

Don Kiefer: Mile

Other squad members are: Herbert Gramm, Joe Hayes, Bill Hayes, Howard Leman, Gene McKinley, Paul Peavis, Kenneth Stanley, Jack Fristow, John Dingle, Don Floring, Duane Guth, Miller Hase, Stanley Huser, Rogers Kaufman, Terry Kearney, Edson Kiefer, Everett Martin, Homer McCullough, Harold McKinley, Dean Sullivan Lee, Wesley Foor, Kenneth Gramm, Mgr.

1943 TRACK AND FIELD

The 1943 track season was characterized by many unusual factors. Due to inclement weather and the lack of a post season or a limitation of many sports, the boys had to secure transportation, and other obstacles, the squad engaged in only five meets during the entire season.

Gridley opened the season with a trial meet at Pontiac with Normal Community as the opponent. The locals triumphed over their traditionally greater rivals, the final tabulation showing Gridley with 48 points, Pontiac with 46 points, and Normal with 35 points.

Gridley showed their superiority in the hurdles race with Jay Klopfer as the runner carrying the Gridley colors. In the 440 yard, and mile runs, Gridley piled up a huge total of points that, with the aid of Gridley's star weight men, Ken Roth, Keith Roth, and Eric, the Gridley boys were able to bring in a coveted victory. Hank, Ed Smith, Len Green, Helen Kl. of Pontiac, and by losing a few points to Gridley boys who flared in the longer races.

In the Gridley Relays, the locals were again winners, winning the coveted relay trophy after a terrific battle with Chonoe by a score of 23 to 21. Elpaso came third with 13 points, Cullum fourth with 11 points, and Pontiac fifth with 9 points. Gridley also won the Field Events trophy with 23 points. Chonoe was second with 13, Pontiac third with 11, Cullum fourth with 11, and Elpaso fifth with five points.

The third meet of the season was a dual affair at Chonoe. The Chonoe boys were "red hot" and downed Gridley by a convincing 65 to 41 score. Two relay races which were won by Gridley were not counted in the total points.

Gridley next met El Paso on the Gridley track. The locals won by a score of 89 to 40. Gridley scored slams in four events, the 440, the high hurdles, the shot put, and the discus throw. El Paso scored slams in three events, the 100 and 220 yd. dashes, and the broad jumps.

The county meet, held at McCormick field in Normal, was Gridley's final meet. Chenoa was the favorite to win top honor but the Gridley boys came through with back performances to score 72 points to Chenoa's 51 for a sparkling victory for the fifth consecutive year.

Balance was probably the deciding factor for Gridley scored points in all seventeen events, the first time in the history of the meet that such an event has occurred.

Gridley won but the first place but grabbed nine seconds and runner as third, fourth and fifth places. Junior Kuorth won the high hurdles and Ralph Kiepfenstein won the 440 yard dash.

Letters were awarded to the following boys: Virgil Funk, Ronald Gerig, Ed Gramm, Jay Kiepfenstein, Loren Kupferschmidt, Keith Roth, Junior Kuorth, Ken Roth, Don Gramm, Wesley Foor, Ty Kaufman, Ken Gerig, Victor Rich, Larry Ellenberger, Billy Helling, Ralph Kiepfenstein, Duane Shrock, John Kahle, Delmar Dawson, Jim Ringer, Floyd Weiss, and Joe Ellenberger. Kenneth Gramm was awarded a manager's letter.

PEP SONG

Here's to you, Gridley High,
Here's to you, Gridley High,
You are the one for whom we do or die
We are strong for Gridley High.
Rah! Rah! Rah!

Here's to you Gridley High,
Long may your colors fly,
The Black and the Red will always
Wave on high,
So, Here's to you, Gridley High.

PEP SONG

(Tune of Illinois Pep Song)

We're loyal to you, Gridley High,
We'll always be true, Gridley High.
We'll never give in, but we'll fight
Till the end. To the victory we'll
stand, Gridley High.
Rah! Rah!

Go speeding ahead, Gridley High,
The Black and the Red, Gridley High,
Our banners unfurled, we will shout
to the world,
A victory for you, Gridley High.

Cha He Cha Ha Cha Ha Ha Ha
Gridley Redskins Rah Rah Rah!

BASEBALL

Gridley started off their baseball season by handing Stanford a 6-0 trouncing behind the no-hit pitching of Kenneth Roth. Their next game was against the team that won the County Championship, Heyworth. They lost this one 6-2, on Heyworth's diamond. Their next four games were at home, with Gridley winning easily in each contest.

Their first victim was Carlisle, 6-3. Ralph Klepfenstein and Roth divided the pitching duties. Gridley won the next game from McLean, 11-1. Roth had a no-hitter until the last inning when Wilcox belted one over the road for a home run.

Klepfenstein pitched Gridley to their next victory which was over Danvers, 14-4. Ralph's next win was a no-hitter against Lyons, 20-0. Gridley made 33 safe hits, including home runs by Peer, Barth, and Stahley, in this game.

This ended the County competition with five wins and one loss.

The last game of the season pitted Gridley against the strong, Flanagan nine. Gridley lost 11-2. They committed seven errors in this contest. One of their two runs was a homer by Kenneth Stahley.

Both Roth and Klepfenstein pitched excellent ball during the season. Klepfenstein carried the most power in his bat. Stahley was the fielding ace of the team at second base.

The starting line-up for this years baseball team was Wesley Foor, Catcher; Kenneth Roth and Ralph Klopferstein pitcher and first base alternately; Kenneth Stahley, second base; Bud Hoobler, shortstop; Victor Rich, third base, Tyrus Kaufman, left field; Everett Martin, center field; and Junior Kuorth, right field. Floyd Weiss, Rogers Kaufman, and Joe Ellenberger were the substitutes.

Three of the first nine will be lost by graduation. They are Wesley Foor, Kenneth Roth and Junior Kuorth. Foor has passed his test for Aviation training after high school. Kuorth will be working on a farm, and Roth, being only sixteen, will probably be farming for a couple of years yet also. These boys were real ball players and proved their worth by their willingness to sacrifice little pleasures for the good of the team and themselves.

GIRLS PHYSICAL EDUCATION

For the past few years the four classes of girls physical education has been condensed into two. The first term and September class meets on Tuesday and the Junior and Senior meets on Friday during the third period under the able instruction of Miss Gurrity.

During the last of 1943 baseball was played outside until the weather got colder. It was in the baseball season that the girls held and the boys came out on top as the winners.

Baseball was played with the girls during the last period began with vigorous exercises. As the season came to close a tournament was played and the Senior girls became the champions for the fourth consecutive year.

With the approach of winter the activities changed to football. This sport is the most popular of the students in the school. As the season progressed in the regular gym classes, many new players were in progress.

If a gym class is missed it is an athletic exercise. A football class was held during the third period on Thursday for many years. This is still a course in which must be passed for credit.

BOYS P.E. ACTIVITIES

The objectives of the physical education program are to develop stamina, achieve coordination of mind and muscle, lessen fear of bodily harm, to create an interest in ones health and the health conditions of the community, to cause persons to become interested in the popular sports of football, baseball, basketball and track and field not only from a spectator's viewpoint, but also from a participant's desire to indulge in wholesome, healthful recreation.

With these objectives in view the members of the physical education group during the school year have been given instruction in how to participate in these sports in their respective seasons. Likewise a thorough training in corrective exercises, obstacle course running, rope climbing and ladder walking have been offered.

Not the least of the results of the physical education activities have been boys who have been discovered as fine prospects for the varsity athletic teams.

G.A.A. Activities

The G.A.A. activities for the year set off to a good start with a picnic at home. This was for the purpose of introducing our activities to the press etc. In the order which they occurred the following: a picnic, a very successful fair in the park, and two very successful parties of various entertainments at the home of the author.

Officers who served for the year were as follows:

President.....Ramona Oliver
Vice-President....Mae Turgeon
Secretary.....Mary V. Wilfong
Treasurer...Jeanne McCullough

CHEERLEADERS

Next year Miriam O'May, Lois Bristow, and Catherine Slagell will fill the vacancies left by our three senior cheerleaders, Alyce Heiss, Eileen Yerger, and Tazona Oliver.

These three cheerleaders have been together two years and during this time have aroused enthusiasm and school spirit among the student body.

The cheerleaders and the pep club, which was organized only this year, backed the team one hundred percent to speed them on to their many victories.

They organized new yells and actions and performed them to the best of their ability. Their outfits were red paberdine with black trim and all three wore white moccasins.

The cheerleaders wish to express their appreciation and thanks to the student body for the cooperation received from them through out the two years they have been together.

Gridley's three pretty maids were the best cheerleaders in the county.

PEP CLUB

The Pep Club is composed of about forty members. These members expressed their appreciation toward the basketball team throughout the season. Not only did they attend the games, but they gave the team excellent support from the side lines. A truck was provided for these ambitious club members to go to the County games. The truck was always packed from top to bottom. They showed Gridley to have one of the busiest parking stations entering the McCormick Gymnasium.

To have some showing as to the title of our team, the Pep Club ordered Indian Head emblems to show we represented the Redskins. These emblems were also provided for the team.

This is the first year Gridley has had this organization, and it proved to be a real success. Here's hoping it will remain the same in the following years.

The officers for this year were: President--Mary Wilfong; Secretary--Miriam O'Key. They wish to express their appreciation to the Pep Club members for their moral support in making this club a great success.
